Corporate Environmental Policy 2018/2019

At Dacorum Borough Council our vision is to drive forward a Borough that enables our community to thrive and prosper, within a safe and clean environment. We will deliver this vision through strong and transparent partnership working.

Dacorum Borough Council commits to investing in Sustainability through pollution prevention, energy reduction and the continual improvement of environmental performance. We shall also:

- Meet, and where reasonably practicable exceed, the relevant Environmental Legislation, standards and Guidelines to which the council subscribes.
- Commit to achieving the corporate Environmental Objectives set to ensure effectiveness in reducing the negative impacts of our operations and services.
- Ensure Environmental awareness and sustainable practices are implemented throughout Dacorum Borough Council, by delivering training, implementing behavioural change, and providing information to all Council members and employees.
- Work with our suppliers and contractors to minimise the environmental impact of their products and services across each of our sites.

100% recycled paper

This policy will be delivered through our Environmental Management System, certificated to the international standard ISO14001:2015 and communicated to all people representing, working for, or working on behalf of the council. It is publicly available via our website, and as a hard copy at each of our commercial locations.

Corporate Responsibility for the Implementation of this policy lies within Dacorum Borough Council. Responsibility for maintaining ISO14001:2015 certification rests with the Portfolio Holder for Environmental Services and Sustainability, and the Assistant Director for Neighbourhood Delivery and Environmental Services.

This Policy is Reviewed Annually.

Signed: 

Date: 13/11/18

(Portfolio Holder for Environmental Services and Sustainability)
