| <p>Prevention of public nuisance:</p> | <p>The restaurant aims to minimize any potential nuisance to neighbouring properties by adhering to reasonable closing hours and implementing noise control measures, particularly during peak operating hours.</p> |
| <p>Protection of children from harm:</p> | <p>At our Korean restaurant, safeguarding children from harm is of utmost importance. To ensure compliance with licensing objectives and legal regulations, we have implemented a comprehensive policy aimed at preventing underage drinking and minimizing the risk of harm to minors. Central to this policy is the implementation of the Challenge 25 scheme, which requires all staff to request identification from any individual who appears to be under the age of 25 when purchasing alcohol. This policy is prominently displayed throughout the premises to communicate our commitment to responsible alcohol service and the protection of minors.</p> <p>How Challenge 25 Operates:</p> <p>1. Staff Training: All staff members undergo rigorous training on the Challenge 25 scheme and are equipped with the necessary knowledge and skills to effectively implement it. They are trained to recognise acceptable forms of identification, such as driver's licences, passports, or PASS-accredited cards, and to handle age verification procedures with professionalism and courtesy.</p> <p>2. ID Checks: Upon entering the premises, customers may be asked to provide valid identification if they appear to be under the age of 25. If they cannot provide any identity proof then we will kindly tell the customer we can not sell alcohol to them.</p> <p>3. Regular Monitoring and Compliance: Our management team conducts regular audits and spot checks to monitor compliance with Challenge 25 procedures. This includes reviewing CCTV footage, assessing staff performance, and addressing any issues or concerns promptly to ensure the effective operation of the policy.</p> |
