

## Licensing Act 2003

# Register of licences: Personal Licences

This document is Dacorum Borough Council's register of the Personal Licences issued by the licensing authority under the Licensing Act 2003.

The holders of Personal Licences may authorise sales of alcohol from premises where that activity is authorised by a suitable Premises Licence – however, it should be noted that Personal Licences do not authorise sales of alcohol in their own right, nor do they authorise sales to be made away from licensed premises.

Personal Licence holders are also entitled to give a greater number of Temporary Event Notices per year than non-holders.

To search for a specific register entry, press Ctrl-F on your keyboard and enter the term you wish to search for. You may also have a 'find' option in your PDF reader program.

The register only contains details of Personal Licences which are currently in force. For details of historic licences, which have been revoked or surrendered, please contact us.
