

**DACORUM BOROUGH COUNCIL'S RESPONSES TO QUERIES RAISED
DURING HEARINGS**

COMMENTS OF STEPHEN PROUDFOOT - ISSUE 11 QUESTION 11A

In reference to Issue 11 and DBC's revised trip rates from/to SS1

If 180 homes are built on this site, given its location in relation to schools, the train station and its distance from the town centre as well as the fact that it is on a ridge top location then this would still seem to be an estimate very much on the low side when you also take into account that Berkhamsted is not an employment centre and the majority of residents commute to another area of work.
