The Council has pointed out that in my recommendation at paragraph 7.29.41 (b) of my report, which relates to Housing Proposal Site H28 at Paradise Fields, I refer to Figure 11. However the Figure 11 that is contained within the report at page 692 covers the new housing site at Marchmont Farm, which is proposed in my recommendation at paragraph 7.57.15¹. It is clear therefore that the Figure referred to in paragraph 7.29.41 has been omitted in error from the report.

Consequently, I now forward the missing figure, which should be inserted between pages 512 and 513 of the report.

The following consequential amendments should also be made to the original report.

- i) amend the list of Figures by :-
 - (a) inserting the following between Figures 10 and 11.

“Fig. 11A Recommended division of Proposal site at Paradise Fields 512A”
 - (b) inserting the letter “B” after the words Fig. 11
- ii) amend paragraph 4.29.41(b) by inserting the letter “A” after the words Figure 11.
- iii) Amend the figure on page 692 by inserting the letter “B” after the words Figure 11.
- iv) Amend paragraphs 7.57.13 and 7.57.15^{*1} by inserting the letter “B” after the words Figure 11.

It is noted that there is a discrepancy in the sequential paragraph numbering in section 7.57 of the original report, there being no paragraph 7.57.14. Accordingly paragraphs 7.57.15 and 7.57.16 should be renumbered as paragraphs 7.57.14 and 7.57.15 respectively.
