1. INTRODUCTION

- 1.1 The Council needs to ensure that there is an adequate supply of land and buildings for different businesses activities in the Borough. It is also useful for the Council to be aware of schemes for non-commercial facilities (e.g. for health, education and leisure etc.) because of the important role they have in providing special services for the community.
- 1.2 This Position Statement is intended to provide an up-to-date picture and summary of land available for commercial or non-commercial development. It also sets out what developments have been completed. The document is published annually and represents the position at 1 April 2015. It covers the period 1 April 2014 to 31 March 2015.
- 1.3 Commercial or non-residential sites with outstanding planning permission, under construction or complete at 31 March 2015 are listed by the type of activity (Town & Country Planning (Use Classes) Order 1987)¹ and then by settlement.
- 1.4 The Council has now moved to a shared monitoring system, CDPSmart, with the County Council and Hertfordshire districts.
- 1.5 Further information on the Position Statement can be obtained from the Strategic Planning team as follows:

	Tel: 01442 228660
	Email: strategic.planning@dacorum.gov.uk
	Strategic Planning and Regeneration Dacorum Borough Council Civic Centres, Marlowes Hemel Hempstead, HP1 1HH

Note: The information presented in the Position Statement is given in good faith and without prejudice on the part of Dacorum Borough Council.

¹ This groups together similar activities into broad use classes. Generally, planning permission is required for a change of use between different classes but not for activities within the same class.

2. EXPLANATORY NOTES

(a) General

Sites listed as either floorspace commitments (i.e. with planning permission and either not started or under construction) or completions have a formal planning permission. The list of commitments can be found in sections 4 to 14, whilst the completions are set out in Section 16. All figures are gross (i.e. they do not take into account losses) and are based on gross external floorspace measurements.

Summary floorspace losses can be found in the tables in Sections 15 and 17.

Those subject to incomplete s.106 agreements are listed separately in this document (Section 18). They should not be regarded as formal commitments because planning permission has not yet been granted. However, it is useful to list these as they give an indication of likely future floorspace availability.

(b) Explanation of Town & Country Planning Use Classes Order (1987):

- A1 Shops
- A2 Financial & Professional Services
- A3 Restaurants & Café
- A4 Drinking Establishments
- A5 Hot Food Takeaways
- B1 Business (Office, Research & Development, Light Industrial)
- B2 General Industrial
- B8 Storage or distribution
- C1 Hotels
- C2 Residential Institutions
- D1 Non-Residential Institutions
- D2 Assembly & Leisure

Further explanation of each Use Class is provided in the Town and Country Planning (Use Classes) Order 1987 (S.I. 1987/764).

Note: (a) Class C3 in the Use Classes Order refers to “dwelling houses”. Information on this can be found in the “Residential Land Position Statement”, which is also published in April.

(b) Certain Planning Uses do not fall within a specific class within the Use Classes Order (referred to as ‘Sui Generis’). For the purposes of this document planning permissions are denoted as either Use Class “Not Specified” or “SG Floorspace”.

(c) Schedules

The following column headings are used throughout the Position Statement:

Column Heading	Comments
<i>Settlement</i>	Refers to a site falling within an identified urban settlement or village within the Core Strategy. Settlements headed "Rest of Dacorum" or "Rural Area" are those sites that are either close to but outside of these settlements or are in villages or locations not identified in the Plan.
<i>Permission Reference</i>	This is the Council's reference number for the development.
<i>PDL</i>	Previously Developed Land. Generally refers to whether the site is brownfield (Y) or greenfield (N) land.
<i>Address</i>	These are not in street name order.
<i>Description</i>	Details of the proposal.
<i>Outstanding Floorspace</i>	This refers to the gross gain in floorspace.
<i>Status</i>	GRANTED – Development has not yet commenced. STARTED - Site is under construction.

(d) The Town and Country Planning (General Permitted Development) (England) Order 2015

The Town and Country Planning (General Permitted) (England) Order 2015 came into force on 15th April 2015. It now consolidates a number of changes to the use classes and associated permitted developments.

3. ADDITIONAL NOTES

- (a) The planning permission (4/0142/13) for an A1 use at Able House, Figtree Hill, Hemel Hempstead is unlikely to be implemented. The permission is to be superseded by an alternative fully residential scheme under 4/00779/15.
- (b) The mixed B use at Bourne End Mills Industrial Estate, Bourne End Lane (4/2245/12) is unlikely to be implemented as currently a mixed commercial / residential scheme is being pursued instead (4/3072/15).
- (c) While technically the B1a office development (10,160 sqm) at the Lucas Site Building 2, Maylands Avenue, Hemel Hempstead (4/0851/01) has started, there has been no activity for a considerable period of time and the landowners are now progressing an alternative retail-led scheme there (4/1132/15).
- (d) The wider scheme associated with the land at Breakspear House, Maylands Avenue, Hemel Hempstead under 4/2124/08 is complete, but the office element (6,455 sqm) remains outstanding. This is unlikely to be implemented given current interest in alternative commercial schemes.
- (e) The warehouse/office scheme (5,917 sqm) at Century House, Maxted Road, Hemel Hempstead under 4/2163/14 is unlikely to commence given the recent approval of a different scheme under planning permission 4/2107/15.
- (f) The proposed relocation of the West Herts College to Quantum House, Maylands Avenue, Hemel Hempstead (4/0064/14) will not now happen as they are to remain on their existing site in the town centre.
- (g) The floorspace mix associated with the s.106 agreement for the outline development at Symbio House, Whiteleaf Road, Hemel Hempstead (4/02320/14/MOA) may be subject to change in the future when a detailed plan for the site is eventually progressed.
