

# **Application to transfer a Part B Permit**

Pollution Prevention and Control Act, 1999 Environmental Permitting (England and Wales) Regulations 2016

## Introduction

#### When to use this form

This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a 'Part B' permit and wish to transfer the permit in whole or in part to another person ('the proposed transferee'). You may apply to transfer the whole or part of your permit. Under the Environmental Permitting (England and Wales) Regulations 2010 ("the EP Regulations"), both the operator and the proposed transferee must jointly apply to have the permit transferred.

# Before you start to fill in this form

You are strongly advised to read relevant parts of the Defra general guidance manual issued for LA-IPPC and LAPPC, republished in 2010 and available at:

http://ww.defra.gov.uk/environment/ppc/localauth/pubs/guidance/manuals.htm.

### Which parts of the form to fill in

You should fill in as much of this form as possible.

Applications should be emailed to: <a href="mailto:ecp@dacorum.gov.uk">ecp@dacorum.gov.uk</a> and should be marked for the

attention of David Carr, Lead Scientific Officer. Payment details and arrangements will be

communicated by reply.

### **Using continuation sheets**

In the case of the questions on the application form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so by stating a document reference number for that continuation sheet. Please also mark the continuation sheet itself clearly with the information referred to above.

### If you need help and advice

We have made the application form as straightforward as possible, but please get in touch with us at the local authority address given above if you need any advice on how to set out the information we need.
