

Pond Close

Supported Housing Scheme

Supported housing is accommodation for people who are aged 60 and over, who can live on their own but who would like to have support close by.

We have 33 supported housing schemes across Dacorum with a range of self-contained flats and bungalows. Social gatherings and activities are often available within these schemes.

Pond Close in Tring is a purpose built supported scheme.

This leaflet tells you about:

There is a communal lounge for tenants to use. There is also a laundry and treatment room. There is a guest room which can be booked for overnight visitor and a car park for tenants' cars. Access to the first floor is by lift or stairs.

What activities do other tenants participate in?

This scheme has regular groups that meet to play bingo and other games. The tenants often organise coffee mornings and days out. We also run tablet courses to help tenants get online as part of our **Tenant Academy**, and a range of other free courses are available.
