The following Site Rules are intended to ensure that acceptable standards are maintained on the Park for the benefit of residents generally, and to promote and maintain community cohesion on the Park.

Occupiers who have been given permission to erect a fence must comply with the maximum height and construction of fences as stipulated in the site licence conditions. In consideration to all residents, grass cutting should not take place before 10.30 am on Sundays. Gardens are to be left intact when the occupier vacates the pitch.
