

Dear Mr. Kemp

**Dacorum CIL Draft Charging Schedule - Consultation on Modifications**

Modification Ref: MOD 2

I am writing to confirm Sport England's support for this proposed modification to the Regulation 123 list as this clarifies that Outdoor Sports Pitches forms part of Green Infrastructure and Open Space and is a type of infrastructure that will be secured through CIL. This responds positively to representations made by Sport England on the consultation on the draft charging schedule earlier in 2014.

I can confirm that Sport England does not wish to be heard by the examiner in relation to the comments made on this modification or our representations made on the draft charging schedule earlier in 2014.

Let me know if you have any queries.

Regards

**Roy Warren** Planning Manager
